A continuación encontrará el contenido gramatical a utilizar durante el desarrollo de este instrumento:

Present Simple

Utilizamos el "Present Simple" para referirnos a acciones que son regulares, rutinarias o ciertas.

Lo utilizamos principalmente para:

1. Acciones regulares o rutinarias.

- I **take** the train to the office.
- John **sleeps** eight hours every night during the week.

2. Hechos reales.

- The President of The USA **lives** in The White House.
- A dog **has** four legs.

3. Hábitos.

- I **get up** early every day.
- Carol **brushes** her teeth twice a day.

4. Para cosas que son generalmente ciertas.

- It **rains** a lot in winter.
- They **speak** English at work

En su forma afirmativa, lo único que debemos tener presente al momento de escribir nuestras oraciones es si es necesario o no agregar “-s”, “-es” o “-ies” al final del verbo según corresponda.

En su forma negativa, debemos agregar el auxiliar “**do**” y la negación “**not**” antes del verbo.
ex: I work every day → I **DO NOT** work every day.

En su forma interrogativa, debemos agregar el auxiliar “do” antes del sujeto de nuestra oración.

ex: I work every day → **Do** I work every day?

*** Tanto en su forma negativa como interrogativa, debemos utilizar el auxiliar “**does**” en vez de “**do**” si el sujeto de nuestra oración es tercera persona singular (he, she, it) ***
