

ENGLISH WORK-CLASS

Teacher: Miss Olga Contreras Hernández

Objective: Find Specific information by answering questions.

Write this activity on your copybook

READING COMPREHENSION

Read the following passage and then match each ítem in the left column with the correct ítem from the right column:

Port operations require a lot of paperwork. So, workers need to have knowledge of basic shipping documents. Some of them are: NO DAMAGE CERTIFICATE by which the Master or Chief Officer of a vessel certifies that his ship did not suffer any damage during cargo operations. The WORKING PROGRAM: this form estimates the number of shifts of work according to the rates and also the personnel needed. The CONTAINER INSPECTION RECEIPT (CIR) includes the number of containers checked, their series, damages suffered and other remarks.

- | | |
|-------------------------------|--|
| a) ____ Workers | 1.- Use much documentation. |
| b) ____ NO DAMAGE CERTIFICATE | 2.- Indicates container series. |
