

ENGLISH WORK-CLASS

Teacher: Miss Olga Contreras Hernández

Objective: Find Specific information by answering questions.

Write this activity on your copybook

Documents and situations

Documentation in English

Port workers have a lot of tasks and duties. One of them is the completion of any necessary paperwork. So, they need to have knowledge of basic shipping documents and the ability to understand and fill in forms with information. Besides, port workers should be also prepared to write short certificates of damage or no damage certifications that they will create using oral and written practice. Port workers should know arrival and sailing report. The operations are carried out at the port.

Answer in English:

- 1) What should port workers be also prepared?
- 2) What is one of them?
- 3) Where are the operations carried out?
- 4) What do they have?
- 5) What should they know?
- 6) What do they need to have?
- 7) What is the ability?
